

Mission

Habitat for Humanity of DeKalb County unites God's people to provide decent affordable housing, hope and a sense of community for families in need.

Habitat for Humanity of DeKalb County to Hold Family Selection Meeting

Habitat for Humanity of DeKalb County (HFHDC) will hold informational meetings for people interested in becoming Habitat homeowners. The sessions will take place on Monday, October 16, 2023 at noon and Thursday, October 19, 2023 at 7:00 pm via Zoom. **Preregistration is required.**

There are four basic criteria that must be met to become a Habitat homeowner:

- 1) a need for adequate housing
- 2) the ability to pay a mortgage
- 3) the willingness to work with HFHDC in the construction of the home, and
- 4) residency in DeKalb County for at least the last 12 months.

Attending this meeting is an essential step to becoming a Habitat homeowner.

The requirements and qualifications for being accepted as a partner family will be explained at the meeting. You need to attend only one session.

Preregistration Required. Contact Habitat by email at familysupport@habitatdcil.org to register.

HFHDC is planning to begin construction of a home in the spring of 2024.
